**Re: Community Grants Application**

This letter is to confirm that at the Regular meeting of the Board held October 16, 2018, the Board concurred with the recommendation from the Community Grants Committee to award your organization a grant in the amount of \$15,000. Grant funds will be mailed to your organization in August 2019. The RDN Board request that if the funds that are awarded to you are not used or not used in full, that the funds or difference be returned to the Regional District of Nanaimo.

The Community Grants Committee requests that your organization notify the Regional District in writing once grant monies have been spent and provide brief details on how the money was used. Please direct this information to my attention either by mail, fax at 250-390-4163 or email at [jbeauchamp@rdn.bc.ca](mailto:jbeauchamp@rdn.bc.ca).

If you have any questions, please do not hesitate to contact me.

Sincerely,
