

# Power outage notice: planned maintenance

## Gabriola and Mudge Island

We need to switch off power in your area for about six hours to install aviation markers on our recently repaired overhead crossing above Dodd Narrows. The work requires the use of a helicopter and is weather dependent. To keep our crews and the public safe, power must be switched off while we complete this important work.

**Where:** Gabriola and Mudge Island

**When:** Sunday, December 11, 2016

**Time:** 9 a.m. to 3 p.m.

To protect your equipment from damage during the outage, please turn off all lights, electric heaters, major appliances and unplug all electronics. We'll restore power as soon as we can.
